Subject: Documents for NARA (16 documents - ARRB mtg, 6/7/95)

1. Enclosed are the declassified "originals" of the 16 documents acted on by the ARRB at the 6/7/95 meeting. We have stamped the documents "Release In Full" and attached a revised version (draft) of the NARA identification form. We still need to update the index and the Oswald HRG retention boxes that you are holding. Also please send me a copy of the forms you will be attaching to the documents prior to sending them to the NARA for our records. I talked with Steve Tilley, NARA, and he is aware that the documents will be coming from you for this round.

2. The documents are arranged in the order that they are listed in the letter from the ARRB to the DCI. Please give me a call if there are any questions.
